

August 31, 2022

Dear Friends and Community Leaders,

Thank you for your contribution and support of One Giving Tree and our 2022 Christmas tree drive. Our goal this year is to provide 450 Christmas tree “kits” (a fresh, live Christmas tree, ornaments, and a biodegradable, eco-friendly tree stand) to local kids, their families, and other individuals who would otherwise go without. Our mission is to help make the holidays brighter. Our desire is to help everyone we reach feel included, loved, and hopeful during the holiday season.

It’s simple really. We provide Christmas trees. To do this, we raise funds throughout the year via Pay Pal, our social media and website donation campaigns, our annual fundraising event *“One Bright Night”* and via our generous supporters and corporate sponsors. We benefit from great commercial partnerships with tree suppliers, retailers, and wholesalers who provide our trees in bulk at the best available prices. We shop till we drop to find the best ornaments and extras at the best prices on the planet. Then, we put it all together. We build and deliver our “tree kits” to our local partner non-profit organizations who help us with the final delivery to local families and individuals they serve.

You are the difference! We truly cannot do any of this without you. Your support helps us fulfill our mission of making the holidays brighter for local kids and their families, and other individuals who would otherwise go without the beauty and experience of a Christmas tree for the holidays.

Your efforts allow our amazing partners: St. Joseph’s Family Center, South Valley Community Church, Community Solutions, Rebekah Children’s Services, Edward Boss Prado Foundation, Gilroy Assistance League, Santa Clara County Department of Family & Children’s Services Prevention Bureau, and Mount Madonna YMCA, to provide the families they serve with the joy of a tree at Christmas time.

We truly cannot do any of this without you. Your support directly impacts local families and individuals for good. It’s simple really. We provide Christmas trees.

Can one tree change the world? **We say “YES.”** From our hearts to yours...

Thank you,

Amy Tran
